

Mr. Barber has over 8 years of experience in Project Management in both the Government and private sectors. With leadership skills and attention to detail from service in the U.S Army; Jason brings a dynamic mindset to the team. His main areas of experience lie in project controls and construction management. Jason holds a Bachelor's of Finance degree from the University of West Georgia and is in the process of completing a Master's Degree in Engineering Project Management from the University of Alaska at Anchorage.

Jason Barber, PM/Superintendent
