REPLY TO *C. Hawkins*  
ATTN OF: C. Hawkins, Facility Manager

SUBJECT: Ed Morales

TO: Harlen Pickett, Project Representative  
United States Penitentiary  
Atlanta, Georgia

I am writing to you to express my sincere thanks for the loan of Ed Morales during the construction phase of our Alpha Unit Cuban Project. Ed is a true self-motivator and was an essential element in the success of this difficult and demanding project. His wide variety of skills were far more than I had ever hoped for. Ed performed every task put before him and was instrumental in developing many of the designs and procedures which were implemented during the course of the project. The Federal Prison System would improve greatly with the addition of more staff like Ed. He can be an example for many of our more seasoned staff who have not yet learned the same skills of communications, cooperation, dedication, determination and can do attitude which seems to come so easily to Mr. Morales.

Once again, thank you for the loan of such a valuable employee. If you ever get tired of him, send him my way.
