Dear Mr. Morales:

I want to take this opportunity to convey my personal appreciation for the fine job you did as a member of the team of journeymen detailed to our institution.

The two recent disturbances have necessitated major usage of staff from other facilities to assist us at FCI, Talladega, as we ready ourselves for the influx of Cuban Detainees. Your presence has been an invaluable aid to us.

Once again, thank you for a job well done.

Sincerely,

D. J. Southerland
Warden
